In the Government Gazette No. 43364 of 28 May 2020, the Minister of Education issued a directive that the grade 10 and 11 learners will be returning to school on the 6th of July 2020. Hoërskool Silverton is ready for Grades 10 & 11; I confirm that the school has the following basic measures in place:

1. COVID-19 symptoms screening and temperature reading system.
2. Infrastructure compliance as per COVID-19 regulations.
3. There are posters alerting all officials, learners and visitors of "**No mask No entry**" visible at all entry points.
4. COVID -19 posters are available for educational purposes.
5. Arrangements have been made for Personal Protective Equipment's (PPE's) for learners.
6. Arrangements have been made for social distancing in the classroom.
7. The school has a COVID-19 Command Council.

Having said this, I urge parents/guardians to go through the Learner Orientation Booklet, that was posted on the D6 Communicator, with your child. This will help you and your child to understand the regulations that are in place to maintain safety of all staff and learners at the school.

In order to maintain COVID-19 regulations, the following arrangements have been made for the orientation:

3. Symptoms screening and temperature reading will be conducted at the pedestrian gate which was used at the beginning of the academic year 2020. It will be conducted between 12H15 and 12H50 ONLY. Late coming WILL NOT be tolerated. The command council will give directive at the gate.
4. Parent/guardian will NOT be allowed on the school premises.
5. Learners SHOULD NOT be sent to school if they are not feeling well. Particularly if they have any of the symptoms of COVID-19.
6. All learners will receive their travel permits on the day of their orientation.
7. Transport your child to school where possible or arrange transportation where your child will be transported in smaller groups (according to COVID-19 regulations). In addition, please ensure that your child is collected immediately after school. WAITING FOR PARENTS/GUARDIANS OR TRANSPORTATION IS HIGHLY DISCOURAGED.

If you're not comfortable with your child receiving these documents on your behalf, you are encouraged to contact the grade guardian immediately.

As we continue to maintain COVID-19 regulations, we thank the Lord that He kept and sustained our lives thus far. We can have complete confidence and trust in His saving, protecting and carrying power.
