Friday Newsletter | 12 June 2026

## *Silvies@60 – Honour the Past, Shape the Future*

### 1. MESSAGE TO OUR STAKEHOLDERS

Dear Parents, Guardians, Staff and Learners, as we continue celebrating Silvies at 60, we remain grateful for the commitment, unity and hard work that keep our school moving forward. This newsletter carries a message of encouragement, reflection and purpose as we conclude the June examination session and prepare for the next academic steps. Let us continue to honour the past and shape the future together.

### 2. ACADEMIC FOCUS

There is one more week of the June examination session. Learners must remain focused, prepared and disciplined.

At Silvies, every learner must aim for 60% and above in all forms of assessment. As we celebrate Silvies@60, let this target remind us that excellence is possible through discipline, consistency and hard work.

*The eagle rises above distractions, sees the bigger picture and aims higher. The chicken remains on the ground and settles too quickly.*

*At Silvies, let us choose to be eagles – focused, courageous and committed to achieving 60% and above.*

### 3. IMPORTANT ASSESSMENT NOTICE

Please note that the Grade 8 and Grade 9 Formal Assessments that were scheduled for 18 and 19 June 2026 will now take place at the beginning of next term. Learners are encouraged to remain prepared and to use the holiday period wisely for revision and readiness.

### 4. SCHOOL FEES MATTER

We sincerely thank all parents and guardians who continue to pay school fees regularly and on time. Your commitment makes a meaningful difference in supporting quality teaching, learning resources, school maintenance and learner opportunities.

We kindly encourage all families to do the right thing and prioritise school fee payments, as this strengthens the future of every Silvies learner.

### 5. YOUTH DAY – 16 JUNE

Tuesday, 16 June 2026 is Youth Day, a public holiday in South Africa.

Youth Day honours the young people of 1976 who stood up courageously for their right to quality education and a better future.

As we commemorate this important day, may our learners be inspired by their bravery, value education deeply, and continue building a better South Africa.

### 6. BEST WISHES TO SILVIES MELODIES

We wish Silvies Melodies every success as they compete today and tomorrow. You carry the spirit, pride and excellence of Hoërskool Silverton with you.

May you perform with confidence, joy and distinction. We are proud of you and we are cheering you on all the way!

### 7. FAMILY TASK FOR THE LONG WEEKEND

**Silvies@60 Family Challenge:** Set aside 60 minutes as a family this weekend. Talk about one academic goal for Term 3, discuss the importance of Youth Day, and agree on one act of kindness your family will do for someone else.

*Strong families build strong learners.*

### 8. IN CLOSING

Thank you to every parent, guardian, staff member and learner for your role in making Hoërskool Silverton a school of purpose and possibility.

May this long weekend be safe, meaningful and refreshing. Let us return ready to continue shaping the future together.
