Silvies@60 - Honour the past, shape the future

WE ARE FINALLY HERE - TERM 1 ENDS WITH GRATITUDE, CELEBRATION AND SILVIES PRIDE

A message from the Headmaster

Dear Parents, Guardians, Learners and Staff,

today, as parents and guardians collect report cards for Term 1, we pause to recognise progress and to celebrate the people who made this term meaningful. As Hoërskool Silverton turns 60 this year, we are reminded that excellence is built day by day - in classrooms, offices, corridors, on the fields and through leadership and service.

Congratulations to all learners who achieved the minimum requirements. A special acknowledgement goes to every learner who achieved 60% and above in a subject. That is a clear sign that you carry the spirit of **Silvies@60** with you. Keep rising.

Today at a glance

Report cards: Collected today by parents and guardians.

Holiday classes: Teachers will communicate through the Grade Guardian.

Uniform: Learners attending classes must be in full school uniform.

A Silvies@60 reminder: results are not only a record of performance - they are a mirror of effort, discipline and readiness for the future.
